1	Bridge Crack	86.2%	91,923

Total Detections: 1 | Damage Coverage: 22.44% | Severity Score: 0.39 (Medium)

Recommendations

PRIORITY: LOW

Recommended Action: General Maintenance Inspection

Target Resolution By: 2026-10-09

Estimated Cost: ■11,577

Damage	Confidence	Severity	Action
Bridge Crack	86.2%	Medium	General Maintenance Inspection

Municipality Complaint

No formal complaint has been filed for this session yet. Use `complaint_service.generate_complaint()` to create one, then re-generate this report.

Generated automatically by the Smart Road & Flyover Damage Monitoring and Decision Intelligence System. Scores are AI-assisted engineering estimates - treat repair-cost and RUL figures as directional pending on-site verification and camera calibration.
